Read the following text, and then answer the questions below:

Today, hypermarkets are found in almost every city in the world. Panda, ALOthaim, Carrefour and LuLu are one of the famous hyper markets in Saudi Arabia. Euromarche was the first hypermarket opened in Saudi Arabia in 1981. A hypermarket is different from mini markets or other shops.

People prefer shopping in hypermarket because it is convenient, international and one-stop-shopping. Besides, there are special offers that most customers like. In hypermarkets, goods are placed on open shelves. The customers help themselves to choose what they want and put them in the shopping

basket, then take them to the check-out counter. There are usually special shelves in hyper markets for inexpensive items just in front of the check - out counter: such as chocolate, sweets, gum and so on.

When customers reach the check-out counter, they can pay cash or with a bank card. Customers feel glad because their shopping is finished. To give comfort to customers, hypermarkets provide parking areas and stay open until very late at night. Nowadays, many of the hypermarkets become huge shopping centers and malls.

- Of no less than (70) words, write about: Teaching the Great Career.
- The followings words may help you.

*dream – job – students - pass – knowledge – moral – values – educate – study*

6

##### MODEL:

Everyone has a dream, and my dream is to be a teacher in the future because I think it is the greatest job in the world. Teachers pass knowledge and moral values to their students. Besides, they also educate the students how to be a good person. It is not easy to become a good teacher. Therefore, I must study hard now to make my dream comes true!

##### B) FREE COMPOSITION (6 Marks)

- Choose ONE topic and write a paragraph about it of no less than (50) words.
- 1- Saudi Vision 2030
  - 2- My Favorite Gadget

6

##### MODEL 1:

My favorite gadget is smart phone. Smart phone is the most important gadget in today's world. Smartphones have made our lives better. In addition to keep in touch with others, you can do many things with a smartphone. Taking pictures, recorded voice, typing your dailies and make a video call. You can study everywhere. Overall, smartphones are really useful for people.

##### MODEL 2:

Vision is the key to all successful changes. On 25 April 2016, Crown Prince Mohammed bin Salman announced Saudi Vision 2030 in order to develop our country and improve the quality of life for citizens and residents. Our vision is built around three primary themes: a vibrant society, a thriving economy and an ambitious nation.

### A VISION OF THE FUTURE

The French writer Jules Verne wrote several books in the late 1800s. In them, he wrote about the future. He asked, "What will life be like at the end of the 20th century-one hundred years from now?" In one of his adventure novels (From the Earth to the Moon), his characters traveled to the moon in a rocket. In another novel (20,000 Leagues Under the Sea), his characters dove through the depths of the ocean in a submarine in the shape of a whale. In a novel titled Paris in the Twentieth Century, Verne described a city with skyscrapers of glass and steel, high-speed trains, gas-powered automobiles, and a global communications network. Space rockets and submarines and other things in his novels didn't exist in Verne's time, but many of the inventions that Verne imagined became reality by the end of the 1900s.

**Q5: Reading**

**A- Read the following passage and answer the questions below :**

**The Westinghouse Time Capsules** The Westinghouse Electric & Manufacturing Company is a large electric company in the United States. It was established in 1886, and it still exists today. In 1939, Westinghouse created a time capsule for the New York World’s Fair. They filled the capsule with common items from that time, including pieces of cloth, metal, plastic, plant and vegetable seeds, money, books, art, and news stories on microfilm. The time capsule is buried in the park in New York where the World’s Fair was held. In 1964, Westinghouse made another time capsule for the 1964 World’s Fair and buried it near the first capsule. The plan is that both of these capsules will be opened in the year 6939—in five thousand years! Do you think these capsules will last that long? Do you think these items will help people in five thousand years learn about life in the year 1939? **A – Answer the following questions:**
